What is your line of work?

Construction? Industrial? So is ours. For over half a century Gardner Denver has been designing and manufacturing one of the best air compressors available. Air-On-Demand is your one source manufacturer, offering over a dozen unique models to choose from.

ADVANTAGES

- Our industrial strength solid cast iron compressor pumps are designed for rugged applications.
- Low operating speeds reduce the wear and extend the life of the compressor package.
- With every Air-On-Line product you buy, you will find it is backed by over 1000 authorized parts and service centers in the United States. Air-On-Line packages are backed with a one-year warranty.
- Our ISO 9002 manufacturing facility assures you a high quality product from start to finish.

PORTABLE COMPRESSORS

Key Features

- 120 Volt Single Phase, 60 Hz motors with 15 Amp plug
- Industrial OHV Honda or Briggs Intek Engines
- Oil-less and Lubricated Configurations Available
- Factory Filled with Heavy Duty Lubricants (where applicable)
- Fully Enclosed Belt Guard (where applicable)
- Industrial Grade Semi Pneumatic Tires (where applicable)
- Pressure Gauges
- Lift Handles with Rubber Grips
- Quick Connect Fitting
- Belt Tightener (where applicable)
- Auto Start/Stop on Electric Models
- Idle Control for Added Safety (Gas Models)
- Quality Pilot Valve (Gas Models)

Air On Demand®

PORTABLE COMPRESSORS

Unit Model	HP	Power	Lubrication	Compressor Pump	Stages	Tank Gallons	CFM Delivery		WT LBS
							100 PSI	175 PSI	
G1H7E	1	Electric	Splash Lubricated	Cast Iron	Single	7 Gal Horizontal	3.0	N/A	155
GC401	2	Electric	Non-Lube	Aluminum	Single	4 Gal Pancake	4.3	N/A	60
GC401-L	2	Electric	Splash Lubricated	Cast Iron	Single	4 Gal Pancake	5.9	N/A	49
GC403	2	Electric	Non-Lube	Aluminum	Single	5 Gal Twin Stack	4.3	N/A	60
